Early Career Meeting SwissPLANT 2024 16–17 January 2024 Les Diablerets (VD), Switzerland

PhD students and postdoc fellows working at a Swiss university are invited to present and discuss their latest findings.

Topics cover plant biology from ecology, evolution to molecular mechanisms.

The SwissPLANT Next Generation

Meeting will consist of talk and poster sessions distributed over the afternoon of January 16 and morning of January 17. Each attendee will present a poster AND a short talk.

To keep the meeting interactive, we limit the number of participants. Selection is based on submitted abstracts.

Participation is free of charge and includes accommodation and food. Attendees cover their own travel expenses.
